Dermaplanning (skin blading) _____ 350

Dermaplanning is a pain free treatment that removes dead skin cells and vellus hair using a blade, leaving your skin brighter, smoother, glowing and more youthful.

Dermaplanning Add-On to Facial _____ 250

Add this as an enhancement to any facial treatment.

Lashes

Classic Lash Extensions:

Classic eyelash extensions are where one extension is applied individually to one natural lash. This gives a classic lash set a 1:1 ratio. Classic lashes are perfect for clients who already have lots of lashes but want to add more length.

Full Set _____ 580
Lash Fill (per 30 minute) _____ 110

Volume Lash Extensions:

Volume lashing is the technique in which 2-6 synthetic extensions are applied to each lash. Volume lashes are lighter, fluffier and give the client a fuller look. Volume lashes are perfect for clients who don't have a lot of lashes, and want a more dramatic look without using a thicker lash.
